Dear Mr. Woudstra:

At this time The IHSA Board of Directors, The Sportsmanship Advisory Committee and the IHSA Staff would like to congratulate you, your school and community for earning a Do What's Right! State Final Sportsmanship Banner at the Boys Soccer State Finals.

Your school has set a high standard for other schools to follow during regular season and post season play. Please share this accomplishment and honor with your school and community members.

Attached is an order form for you to complete and fax back to the IHSA Office on or before December 16. The State Final Sportsmanship Banner, provided by the IHSA, will be shipped directly to your school.

Congratulations again and remind your teams, fans and community to continue to Do What's Right!

Sincerely,
