

July 2011

Dear Parent,

Welcome to preschool at Timothy Christian! Planning has already begun for the 2011-2012 school year. As Timothy prepares to celebrate its 100th year, the theme for this school year is "His Love Endures" from Psalm 100:5. We are already thinking of ways to incorporate this theme into our activities with the children.

The Preschool Handbook is included in this packet. Please let us know if you have any questions. Also included in this packet are many other forms that need to be filled out and brought to school on the first day. The State of Illinois requires a physical for all incoming preschoolers. This includes up-to-date immunizations. Please make sure your child has their physical before the start of school. If your child was in our preschool program last year, there is no need to turn in a new physical form if your child's immunizations are up-to-date or fill out the student information sheet again unless any information has changed.

The first day of preschool is an orientation day. This orientation will give your child a chance to explore the classroom and meet his/her classmates and teachers. Please come to school with your child for orientation. During the first half hour of orientation, you will have a chance to spend time in the classroom with your child. During the second half hour of orientation, the parents will leave the classroom for a parent meeting with Sonja. This meeting will provide you with information about the school year and will give you an opportunity to ask any questions. Preschool classes will continue the following week at the regular times.

Please note the following times for orientation:

Monday/Wednesday/Friday Morning	Friday, August 26	8:45 – 9:45 a.m.
Monday/Wednesday/Friday Afternoon	Friday, August 26	10:15 – 11:15 a.m.
Tuesday/Thursday Morning	Thursday, August 25	8:45 – 9:45 a.m.
Tuesday/Thursday Afternoon	Thursday, August 25	10:15 – 11:15 a.m.

We look forward to seeing you at the end of August. Have a wonderful summer!
