## What is PiE??

You are PiE!!

PiE was created as a means for parents, grandparents and alumni to play an active role in making Timothy a great school. Study after study show that high levels of parental involvement within the school provides a higher level of student success. PiE's role is to provide the opportunity to participate in both the children's and the school's success. PiE is known for its fundraising efforts but wants to expand to focus on building community. We cannot do this without your support and involvement. Please join us at our next meeting on April 20<sup>th</sup> at 7:00 pm in the High School Conference Room and experience the passion of those trying to make a difference in your child's school experience.
