

Dear Parent(s) and/or Prospective Student(s),

Thank you for your interest in Timothy Christian School. I trust you will find our website to be both engaging and informative. Please take a few moments and browse through our website as you prayerfully consider joining the TCS team.

Timothy Christian School has been tirelessly partnering with families in the greater Chicago area for nearly 100 years. We have pledged to win the battle for the hearts and minds of young people as we equip them with a first-rate education fostered by a Christian worldview.

It is our ultimate aim that each student entrusted to TCS grows in their relationship with Jesus Christ. Furthermore, we strive to inspire each student to a commitment to excellence through both pioneering and established teaching strategies complemented by the personal modeling of excellence by our staff. Recognizing the utmost importance of the home, we also boast of our commitment to partner with parents. We covet parental input as a vital part of our endeavors. It is our conviction that from that starting point and with guidance, our students can assuredly chart a course toward success.

There are countless parents, extended family members, alumni, current students and a host of others who would testify that goals are being reached and dreams are being realized largely because of the contributions of Timothy Christian School. By the grace of God, these claims will persist as we carry on in the mobilization of leaders and difference-makers for our world.

Please contact the school if you would like further information about TCS. We would welcome an opportunity to visit with you and your child to discuss our vision and your future role in it. May God richly bless you and your family.

Very Truly Yours for Christian Education,
